

Humber Area Prescribing Committee

NEWSLETTER April-June 2024

For further information about HAPC documents go to:

<https://www.northernlincolnshireapc.nhs.uk/apc-documents/>

For the Humber Joint Formulary go to:

[Humber APC Formulary \(apcnetformulary.nhs.uk\)](https://www.humberapc.nhs.uk/apcnetformulary/)

Traffic Light Classification within HAPC:

RED – specialist prescriber only

AMBER SCF – prescribed in accordance with approved shared care framework

AMBER 1 (Guideline or Specialist Led) – prescribed on advice of specialist or in line with national / local guideline

AMBER 2 (Specialist initiation and stabilisation) – initiated and stabilised by specialist

GREEN – other items listed on formulary suitable for initiation and prescribing by any prescriber

The Humber APC was formed in April 2022 merging Hull and East Riding Prescribing Committee (HERPC) and Northern Lincolnshire Area Prescribing Committee. The joint formulary alignment is currently ongoing with the joint formulary being hosted on the Northern Lincolnshire APC netformulary website. Further details on the different classifications are at the end of the newsletter.

- Hull and East Riding of Yorkshire joint formulary users should still refer to the HERPC joint formulary first and if then if directed within the formulary check the Humber APC formulary.
- Northern Lincolnshire users can continue to use the netformulary website as normal.
