		<p>e) Melatonin in adults – JM and AGM presented the new SCF for melatonin in adults. Hull and East Riding currently have an out of date melatonin SCF covering both children and adults; there is currently no SCF in NEL/NL and hence treated as red drug. New SCF approved for use in Hull/ERY but need to review funding in NEL/NL. AGM to run prescribing report from Navigo and discuss patient numbers with OF.</p> <p>f) Opioid conversion chart – JM to add wording to highlight variability in codeine/dihydrocodeine conversion and update references as per CHCP request. To transfer on to HAPC template.</p> <p>g) Testosterone in low libido – NS presented updates to this guidance. Guidance approved and to move onto HAPC template.</p> <p>h) CHCP wound formulary – NS presented updates to CHCP wound formulary that related to change in prescribing guidance for povidone iodine dressings in patients with renal impairment.</p>	<p>g) Move to APC template and approved</p> <p>h) Approved and to upload</p>	JM	11/24

2024.10.14	Correspondence received	Nil this month			
2024.10.15	AOB	DOACS – JM raised that the national commissioning document for DOACs has been updated to reflect generic availability of rivaroxaban. To update formulary to match this and review guidance. PH highlighted that dabigatran is now also available generically so the national commissioning document may change again.	To update joint formulary to reflect commissioning position of rivaroxaban. To update anticoagulation guidance.	JM	11/24
2024.10.16	Date of next meeting	6 <sup>th</sup> November- New prescribing committee
